Japan Equity Mid-Small Cap Value (P) JPY

Investment Objective

An active strategy using a fundamental approach and investing in undervalued stocks by narrowing down all listed companies based on financial criteria (PBR-ROE approach), while utilising AI* to identify stocks in which we can expect medium-term changes. In addition, we make proactive recommendations to the portfolio companies and address business issues with the aim of improving their corporate value.

*Use of Artificial Intelligence (AI): see general disclaimer page.
