

Japan Equity Small Cap Absolute Value

Data as of 30 September 2023

Product Description

This benchmark agnostic small cap product adopts a distinctive value biased active investment style which combines the tenets of growth and value investing whilst taking market trends into consideration. We aim to identify financially stable companies and to invest in small and microcap stocks with sustainable growth potential that are undervalued.

Absolute Performance

The chart reflects the absolute returns of this composite on a calendar year basis and is shown in yen terms and gross of fees.

Issued by Sumitomo Mitsui DS Asset Management (UK) Limited. Registered in England and Wales. Registered office 100 Liverpool Street, London, EC2M 2AT; registered number 1660184. Authorised and regulated by the Financial Conduct Authority. **Past performance is not a reliable indicator of future performance and may not be repeated. An investment's value and the income deriving from it may fall, as well as rise, due to market fluctuations. Investors may not get back the amount originally invested. Performance is shown in Japanese Yen, the return may increase or decrease as a result of currency fluctuations.** Fund performance shows gross of fees (after trading expenses and before the deduction of investment management fees) and are total net returns (dividends, net of tax, have been reinvested in the portfolio). WM/Reuters 4pm exchange rates have been sourced from RIMES. Close-of-day stock mid-prices have been sourced from Bloomberg. Cash is included on a settlement-dated basis.
